

NORTHANTS BASKETBALL CLUB

PRESS RELEASE

Play Offs the aim for 2013

After the long Christmas and New Year break, five teams from the Northants Basketball Club return to action this weekend. All ten of the club's teams have a chance of making the end of season Play Offs and that will be the main focus going into the second half of the season although at least three of those teams will need to reverse pre-Christmas results if they are to make it to end of season play.

During the recent break no less than 20 boys and girls from the Club have been involved in England and England Development camps. Coaching Co-ordinator John Collins expressed his delight that so many players from the club had been recognised by the various England coaches. He commented, "Obviously, as a club we are keen to see our teams achieve success in the National League but just as important is the development of individual players. It will always be the Club's aim to help boys and girls of all abilities to reach their full potential".

There are no home games for the Club this weekend but five teams will be on their travels and there is a full programme of home games next weekend.
